## Pool Opening and Pool Party

Weather permitting the Pool Party will be May 21st 6-8 P.M.

The Association is paying for Pizza, Beverages & Dessert but you must RSVP at 791-0659 in order to attend! Those that aren't on the list will not be served.

\*\*\*\*\*

## Vandalism at the Pool!

We have already had vandalism at the pool! One of the bathrooms was vandalized. The chain & lock were cut and a toilet broken. If you observe anything at the pool unusual please contact Spring Hill Police Department. The pool closes at 10 p.m.

Pool rules must be observed! If you do not have a copy contact:

Property Rental Management  
791-0659

We have hired Colorburst, a professional landscaping company to plant seasonal flowers and maintain the beds at the front of the development. It really looks great! Be sure to check it out!

We are having work done on our pool! We have repaired the plaster and a rubber coating will be added so the bottom and sides won't be so rough on our little ones feet. We have also added another large table and another picnic table. We have also replaced the fans with some that will light up the eating area better. Please observe that no food is allowed in the pool area. This is because we have had an issues with ants and bugs. We are trying hard to make the pool a fantastic place to bring the family so please help us keep it nice. No Dogs allowed or in the pool!

We have had several call about dogs in the neighborhood. If you are walking your dog, please be kind and pick up after it. There is also a leash law and we have some dogs running loose and several that are barking and disturbing their neighbors. Please respect your neighbors! We have advised homeowners, if it becomes a problem to contact Animal Control or the local Police Department.

\*\*\*An issue that was brought up at the annual HOA meeting was people speeding in the neighborhoods. This has always been an issue. Please remember school is getting ready to close for the summer and children will be playing.

\*\*\*\*\*Alert!!!!\*\*\*\*\*

We have had cars broken into in the neighborhood. Please lock your cars and if you see someone suspicious contact the local law enforcement. We need to watch out for our neighbors!!
